

Spell it right

Abigail wrote a letter to her friend, but she misspelled some words. Can you help her spot the mistakes and write the words correctly?

Dear Frend

I went to the zu today with my mother, father

and brutner. We brought water, hats and sandwiches.

We saw many animels like the elifant, tigre and

lion. I got to feed the giraffel My favourite animal

was the otter because it was so cute.

After that, we ate lanch under a

shady tree. A monkey tried to steal mi food!

Finally, we took a taxi bak home. I was so

tired, I slept at 5pm!

ANSWERS: Frend; zu (zoo); brutner (brother); animels (animals); elifant (elephant); tigre (tiger); lanch (lunch); mi (my); and bak (back).
