

# MAD ABOUT MATHS

Jon has done his maths sums. Now, it's your job to play teacher and mark them! Did he get it right?

1)  $20+20 = 40$

2)  $99-98 = 1$

3)  $11-3 = 8$

4)  $3+5-0 = 0$

5)  $1+1+1+1+1+1+11 = 7$

ANSWERS: 1. Correct, 2. Correct, 3. Correct, 4. Oops, he got it wrong. The answer is 8, 3+5 is 8, 8-0 is still 8, 5. This is a tricky one, Jon thought the number 11 was two number 1s. The correct answer is 17.
